Parental Permission and Undertaking

I give permission for my son/daughter to be an altar server at Holy name of Jesus Church. I accept that he/she must be at any scheduled Mass at least ten minutes before the Mass is due to start. I understand that occasionally he/she will be scheduled for a Mass which we as a family do not normally attend, but undertake to fulfil the commitment as and when it arises. I further give permission for our telephone number and family email address to be disclosed to the parents of other altar servers to help in the arranging of substitutes when commitments to serve cannot be met for unavoidable reasons.
